

How to Register and SSO login to eLOK

1. Go to the eLOK page: <https://elok.ugm.ac.id/>.

1. Log in: if you have eLOK account that use non-UGM email address.
 2. Register: if you want to register for eLOK using non-UGM email address. These steps will be explained further in step number 2 through 6.
 3. SSO UGM: if you have UGM email. For user with SSO UGM account, you don't need to do registration. You can login to eLOK using SSO UGM account by typing your first name and last name for your first login
2. Fill the form. Make sure your email is active and create your password with 8 minimal characters, capital letter, small letter, number, and special character.

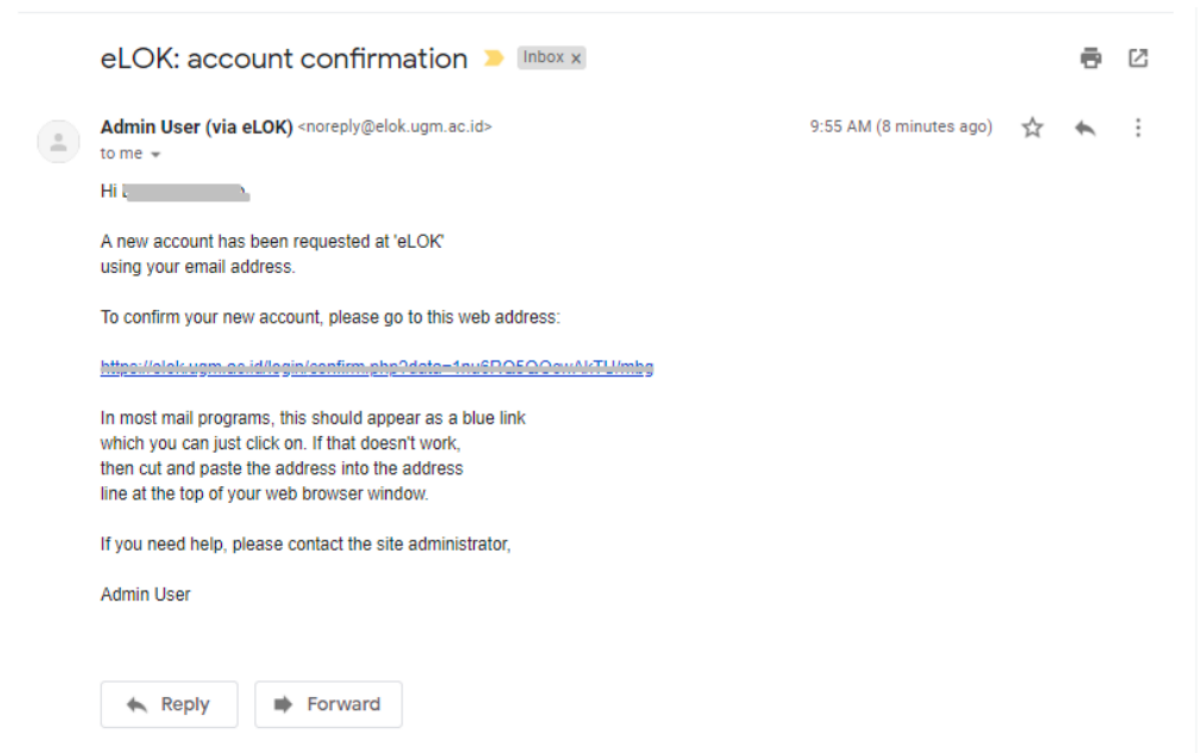

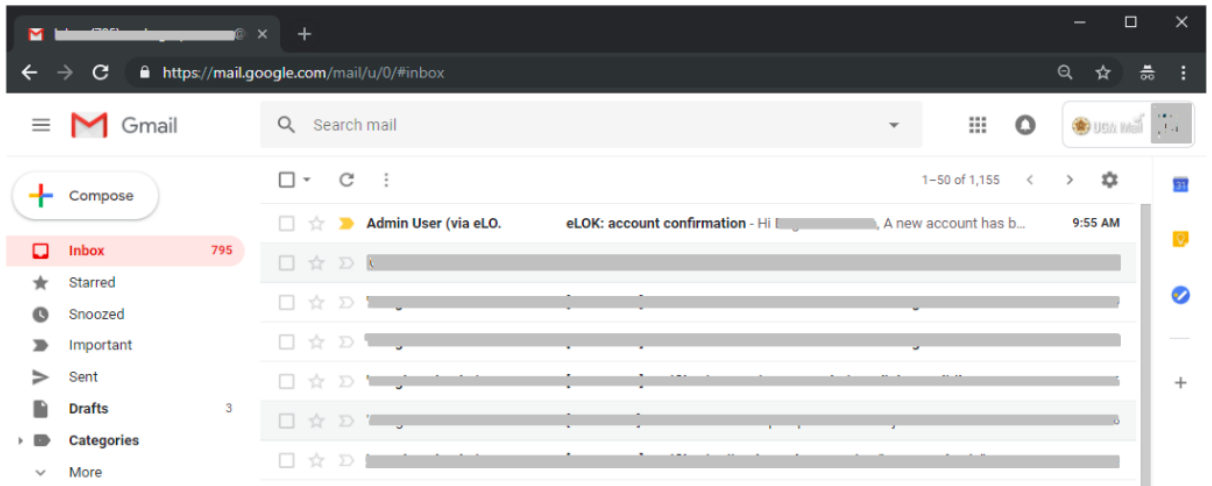

The image shows the registration form on the eLOK website. The form is titled "New account" and is divided into several sections. The first section is "Choose your username and password", which includes a "Username*" field with the value "username saya" and a "Password" field with the value "1234567890". Below the password field, there is a note: "The password must have at least 8 characters, at least 1 digit(s), at least 1 lower case letter(s), at least 1 upper case letter(s), at least 1 non-alphanumeric character(s) such as !, @, #, or &". The second section is "More details", which includes fields for "Email address*", "Email (again)*", "First name*", "Surname*", "City/Town", and "Country". The "Email address*" and "Email (again)*" fields both contain the value "inimailsaya@ugm.ac.id". The "First name*" field contains "Nama", the "Surname*" field contains "Saya", and the "Country" field is a dropdown menu with the value "Select a country". At the bottom of the form, there are two buttons: "Create my new account" (green) and "Cancel" (red).

3. Then this message will appear
